

Seminar Invitation

- What:** Learn how you can solve your G2 e-government Community Information requirement for less than £10,000
- How:** By reserving your place at the Neighbourhood web seminar
- Where:** At Cravenplan Computers, Wilbury Barn, Swallowcliffe, Salisbury, Wiltshire, SP3 5QH
- When:** Tuesday 21st June 2005 at 1.00 pm
- Why:** Because you need to have a G2 solution in place by December 2005. Will you be ready?
- For more information go to www.neighbourhoodweb.com

To reserve a place contact us on 01747 858000 or email us at mail@cravenplan.co.uk

For directions to Cravenplan - <http://www.cravenplan.co.uk/map.htm>

“Neighbourhood web is a stand alone web based tool designed for local government. It will enable any individual or organisation within the local community, to develop a web site with absolutely no previous experience.”
